Emergency cover is of course provided when we are closed by our dedicated emergency teams at Vets Now. Call 01789 299455, day or night, and follow the prompts to speak with the fully trained and caring team. Vets Now will be able to access your **pet's** record and liaise with us about any advice or treatment given.

If your pet has regular medication and/or prescription food, please ensure you have sufficient supplies for the festive period as our wholesaler deliveries are intermittent during this time.
